Frequently Asked Questions	Answers
What is a Medicare-Medi-Cal Coordination Plan?	A Medicare-Medi-Cal Coordination Plan is a health plan that contracts with both Medicare and Medi-Cal to provide benefits of both programs to enrollees. It is for people age 65 and older. A Medicare-Medi-Cal Coordination Plan is an organization made up of doctors, hospitals, pharmacies, providers of Long-term Services and Supports (LTSS), and other providers. It also has Care Managers to help you manage all your providers and services and supports. They all work together to provide the care you need.
Will I get the same Medicare and Medi-Cal benefits in CareAdvantage that I get now?	<p>You will get most of your covered Medicare and Medi-Cal benefits directly from CareAdvantage. You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a State or county agency like In-Home Support Services (IHSS), specialty mental health and substance use disorder services, or regional center services.</p> <p>When you enroll in CareAdvantage, you and your care team will work together to develop a care plan to address your health and support needs, reflecting your personal preferences and goals.</p> <p>If you are taking any Medicare Part D prescription drugs that CareAdvantage does not normally cover, you can get a temporary supply and we will help you to transition to another drug or get an exception for CareAdvantage to cover your drug if medically necessary. For more information, call the CareAdvantage Unit at the numbers listed at the bottom of this page.</p>
Can I go to the same doctors I use now?	Often that is the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with CareAdvantage and have a contract with us, you can keep going to them.

If you have questions, please call the CareAdvantage Unit at **1-866-880-0606**, TTY **1-800-735-2929** or dial **7-1-1**, Monday through Sunday, 8:00 a.m. to 8:00 p.m. The call is free. **For more information**, visit www.hpsm.org/careadvantage.

Frequently Asked Questions	Answers
	<ul style="list-style-type: none"> • Providers with an agreement with us are “in-network.” Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. You must use the providers in CareAdvantage’s network. If you use providers or pharmacies that are not in our network, the plan may not pay for these services or drugs. • If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of CareAdvantage’s plan. • If you are currently under treatment with a provider that is out of CareAdvantage’s network, or have an established relationship with a provider that is out of CareAdvantage’s network, call the CareAdvantage Unit to check about staying connected and ask for continuity of care. • If our plan is new for you, you can keep using the doctors you use now for a certain amount of time, if they are not in our network. We call this continuity of care. If your doctors are not in our network, you can keep your current providers and service authorizations at the time you enroll for up to 12 months if all of the following conditions are met: <ul style="list-style-type: none"> ○ You, your representative, or your provider asks us to let you keep using your current provider. ○ We establish that you had an existing relationship with a primary or specialty care provider, with some exceptions. Frequently Asked Questions	Answers

By filing a complaint, the DMHC will review our decision and make a determination. An IMR is available for any Medi-Cal covered service or item that is medical in nature. An IMR is a review of your case by doctors who are not part of our plan or a part of the DMHC. If the IMR is decided in your favor, we must give you the service or item you requested. You pay no costs for an IMR.

If you have questions, please call the CareAdvantage Unit at **1-866-880-0606**, TTY **1-800-735-2929** or dial **7-1-1**, Monday through Sunday, 8:00 a.m. to 8:00 p.m. The call is free. **For more information**, visit www.hpsm.org/careadvantage.

You can file a complaint or apply for an IMR if our plan:

- Denies, changes, or delays a Medi-Cal service or treatment because our plan determines it is not medically necessary.
- Will not cover an experimental or investigational Medi-Cal treatment for a serious medical condition.
- Will not pay for emergency or urgent Medi-Cal services that you already received.
- Has not resolved your Level 1 Appeal on a Medi-Cal service within 30 calendar days for a standard appeal or 72 hours for a fast appeal.
- Disputes whether a surgical service or procedure was cosmetic or reconstructive in nature.

NOTE: If your provider filed an appeal for you, but we do not get your Appointment of Representative form, you will need to refile your appeal with us before you can file for a Level 2 IMR with the Department of Managed Health Care.

You are entitled to both an IMR and a State Hearing, but not if you have already had a State Hearing on the same issue.

In most cases, you must file an appeal with us before requesting an IMR. You can read Chapter 9 of the *Evidence of Coverage (Member Handbook)* for information, about our Level 1 appeal process. If you disagree with our decision, you can file a complaint with the DMHC or ask the DMHC Help Center for an IMR.

If your treatment was denied because it was experimental or investigational, you do not have to take part in our appeal process before you apply for an IMR.

If your problem is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may bring it immediately to the DMHC's attention without first going through our appeal process.

You must **apply for an IMR within 6 months** after we send you a written decision about your appeal. The DMHC may accept your application after 6 months for good reason, such as you had a medical condition that prevented you from asking for the IMR within 6 months or you did not get adequate notice from us of the IMR process.

If you qualify for an IMR, the DMHC will review your case and send you a letter within 7 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 30 calendar days. You should receive the IMR decision within 45 calendar days of the submission of the completed application.

If your case is urgent and you qualify for an IMR, the DMHC will review your case and send you a letter within 2 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 3 calendar

days. You should receive the IMR decision within 7 calendar days of the submission of the completed application. If you are not satisfied with the result of the IMR, you can still ask for a State Hearing.

An IMR can take longer if the DMHC does not receive all of the medical records needed from you or your treating doctor. If you are using a doctor who is not in your health plan's network, it is important that you get and send us your medical records from that doctor. Your health plan is required to get copies of your medical records from doctors who are in the network.

If the DMHC decides that your case is not eligible for IMR, the DMHC will review your case through its regular consumer complaint process. Your complaint should be resolved within 30 calendar days of the submission of the completed application. If your complaint is urgent, it will be resolved sooner.
