A Message from the Chief Executive Officer

The Health Plan of San Mateo (HPSM) values the contribution of all employees, Commissioners, Committee Members, and Contracted Business Partners toward the goal of providing the highest possible quality of services to its members and providers. This *Code of Conduct* is created in accordance with state and federal requirements to provide guidance in following the ethical, legal, regulatory, and procedural principles that are necessary for maintaining high standards. This document serves as a guide for complying with HPSM's internal policies and procedures as well as all applicable laws and regulations.

This *Code of Conduct*, approved by the San Mateo Health Commission, applies to all HPSM staff, including employees, temporary staff and interns, as well as Commissioners, Committee Members, and Contracted Business Partners. In this document, the word *employee* encompasses all four groups unless otherwise stated.

The consequences for HPSM organizationally of failing to comply with this *Code of Conduct* can be serious, including member, financial, and reputational harm. Failure to comply may result in disciplinary actions up to and including termination.

Although this document was designed to provide overall guidance, it does not address every situation. Please refer to HPSM Policies and Procedures on HPSM's Intranet or in HPSM's Human Resources (HR) Policy Manual if additional direction is needed.

If there is no specific HPSM policy, this *Code of Conduct* becomes the policy. If a policy conflicts with this *Code of Conduct*, the *Code of Conduct* takes precedence. Questions or issues regarding this document or a policy should be discussed first with the immediate supervisor. If additional guidance is needed, one should go through the chain of authority up to and including HPSM's Chief Compliance Officer, other members of the Leadership Team, or the Chief Executive Officer. Any issues may also be reported confidentially and anonymously by using HPSM's compliance hotline at 1-800-826-6762.

Thank you for your commitment to HPSM and your dedication to serve our members, providers, and our community partners in an ethical, professional manner using the high standards which are embodied in this *Code of Conduct*.

Sincerely,

Maya Altman
Chief Executive Officer

Introduction

The Health Plan of San Mateo (HPSM) is a local non-profit health care plan that offers health coverage and a provider network to San Mateo County's underserved population. We currently serve more than 130,000 County residents.

The County Board of Supervisors established the San Mateo Health Commission in 1986 to address and resolve the issues of poor access to physicians, an uncoordinated health care system endured by the county's growing population of Medi-Cal patients. In 1987, the Commission founded the Health Plan of San Mateo to provide access to a stable and comprehensive network of providers, and a benefits program that promotes preventive care with staff devoted to ensuring Medi-Cal patients receive high quality, coordinated health care.

Our Mission

To ensure access to high-quality care services and supports that help San Mateo County's vulnerable and underserved residents live the healthiest lives possible.

Our Vision

Healthy is for everyone and we fight to make that happen.

Our Values

- **Advocate** for the health and well-being of our members and other underserved residents of San Mateo County.
- **Partner** with providers and community organizations to overcome local challenges faced by members and providers.
- **Give** individual and personal attention to our members by being culturally and linguistically responsive to their unique needs.
- **Support** our providers by ensuring they receive timely payment for their services and by reducing administrative obstacles.
- **Strive** to be good stewards of public resources by focusing on the efficient use of services and funds.
- **Act** with the highest standards of ethics integrity and transparency.
- **Embrace** a work atmosphere that encourages employee growth and commitment to HPSM's mission.

Commitments

This *Code of Conduct* is intended to help both the Health Plan of San Mateo as a whole and individual employees stay true to the following commitments.

To HPSM Members

HPSM is committed to delivering quality, affordable health care by providing its members access to a network of credentialed health care providers, customer service staff, and a grievance and appeal process for timely problem resolution.

To HPSM Providers

HPSM is dedicated to providing efficient network management resources for its contracted providers, honoring contractual obligations, delivering quality health services, and bringing efficiency and cost-effectiveness to health care.

To HPSM Community Partners

HPSM is dedicated to advocating for healthcare needs of San Mateo County with a commitment to addressing challenges of access for the underserved.

To HPSM Contracted Business Partners

The selection of Contracted Business Partners, e.g. vendors, contractors, suppliers, and First-tier, Downstream, and Related entities (FDRs), is based on objective criteria including quality, technical excellence, price, delivery, adherence to schedules, service, and maintenance of adequate sources of staff and supply.
