California Advance Health Care Directive Information

This form lets you have a say about how you want to be treated if you get very sick. It lets you:

- **Choose a health care agent.** A health care agent is a person who can make medical decisions for you if you are too sick to make them yourself.
- Make your own health care choices. You can choose the kind of health care you want so if you are too sick to decide for yourself, those who care for you will not have to guess what you want.

What will happen if I do not choose a health care agent?

If you are too sick to make your own decisions, your doctors will ask your closest family members to make decisions for you. If you want your agent to be someone other than family, you must write his or her name on the form.

What kind of decisions can my health care agent make?

Agree to, say no to, change, stop or choose:

- ✓ doctors, nurses, social workers
- √ hospitals or clinics
- ✓ medications or tests
- ✓ what happens to your body and organs after you die

Other decisions your agent can make:

- ✓ **Life support treatments** medical care to try to help you live longer
- ✓ CPR or cardiopulmonary resuscitation This may involve:
 - pressing hard on your chest to keep your blood pumping
 - electrical shocks to jump start your heart
 - medicines in your veins
- ✓ **Breathing machine or ventilator** The machine pumps air into your lungs and breathes for you. You are not able to talk when you are on the machine.
- ✓ **Dialysis** A machine that cleans your blood if your kidneys stop working.
- ✓ Feeding Tube A tube used to feed you if you cannot swallow. The tube is placed down your throat into your stomach. It can also be placed into your stomach by surgery.
- ✓ Blood transfusions To put blood in your veins.
- ✓ Surgery
- ✓ Medicines
- ✓ **End of life care** if you might die soon your health care agent can:
- call in a spiritual leader
- decide if you die at home or in the hospital

Your health care provider will answer any questions you may have about this important document.

Probate Code - PROB

DIVISION 4.7. HEALTH CARE DECISIONS [4600 - 4806] (Division 4.7 added by Stats. 1999, Ch. 658, Sec. 39.)
PART 2. UNIFORM HEALTH CARE DECISIONS ACT [4670 - 4743] (Part 2 added by Stats. 1999, Ch. 658, Sec. 39.)

CHAPTER 2. Advance Health Care Directive Forms [4700 - 4701] (Chapter 2 added by Stats. 1999, Ch. 658, Sec. 39.) 4701. The statutory advance health care directive form is as follows:

ADVANCE HEALTH CARE DIRECTIVE (California Probate Code Section 4701)

Explanation

You have the right to give instructions about your own health care. You also have the right to name someone else to make health care decisions for you. This form lets you do either or both of these things. It also lets you express your wishes regarding donation of organs and the designation of your primary physician. If you use this form, you may complete or modify all or any part of it. You are free to use a different form.

Part 1 of this form is a power of attorney for health care. Part 1 lets you name another individual as agent to make health care decisions for you if you become incapable of making your own decisions or if you want someone else to make those decisions for you now even though you are still capable. You may also name an alternate agent to act for you if your first choice is not willing, able, or reasonably available to make decisions for you. (Your agent may not be an operator or employee of a community care facility or a residential care facility where you are receiving care, or your supervising health care provider or employee of the health care institution where you are receiving care, unless your agent is related to you or is a coworker.)

Unless the form you sign limits the authority of your agent, your agent may make all health care decisions for you. This form has a place for you to limit the authority of your agent. You need not limit the authority of your agent if you wish to rely on your agent for all health care decisions that may have to be made. If you choose not to limit the authority of your agent, your agent will have the right to:

- (a) Consent or refuse consent to any care, treatment, service, or procedure to maintain, diagnose, or otherwise affect a physical or mental condition.
- (b) Select or discharge health care providers and institutions.
- (c) Approve or disapprove diagnostic tests, surgical procedures, and programs of medication.
- (d) Direct the provision, withholding, or withdrawal of artificial nutrition and hydration and all other forms of health care, including cardiopulmonary resuscitation.
- (e) Donate your organs, tissues, and parts, authorize an autopsy, and direct disposition of remains.

Part 2 of this form lets you give specific instructions about any aspect of your health care, whether or not you appoint an agent. Choices are provided for you to express your wishes regarding the provision, withholding, or withdrawal of treatment to keep you alive, as well as the provision of pain relief. Space is also provided for you to add to the choices you have made or for you to write out any additional wishes. If you are satisfied to allow your agent to determine what is best for you in making end-of-life decisions, you need not fill out Part 2 of this form.

Part 3 of this form lets you express an intention to donate your bodily organs, tissues, and parts following your death.

Part 4 of this form lets you designate a physician to have primary responsibility for your health care.

After completing this form, sign and date the form at the end. The form must be signed by two qualified witnesses or acknowledged before a notary public. Give a copy of the signed and completed form to your physician, to any other health care providers you may have, to any health care institution at which you are receiving care, and to any health care agents you have named. You should talk to the person you have named as agent to make sure that he or she understands your wishes and is willing to take the responsibility.

You have the right to revoke this advance health care directive or replace this form at any time.
