## **San Mateo County Vaccine Clinic Times And Locations**

Dear Providers,

San Mateo County Health has a new website listing COVID-19 vaccination events available to San Mateo County residents: [www.smchealth.org/vaccine-clinic-calendar](http://www.smchealth.org/vaccine-clinic-calendar)

These vaccination locations are operated or supported by San Mateo County Health and are open to residents who live or work in San Mateo County. Appointments can be scheduled through MyTurn, **but note that appointments are not required for most events.**

While vaccination rates in San Mateo County are high, they are significantly lower for Health Plan of San Mateo members. Please encourage your patients to get vaccinated as soon as possible, either in your office or at one of these events near them.

Please direct any questions to [psinquiries@hpsm.org](mailto:psinquiries@hpsm.org).

Thank you for your continued commitment to our community,

The Health Plan of San Mateo
