HomeAdvantage Provider Survey

Dear Providers,

The Health Plan of San Mateo (HPSM) would like to better understand our primary care providers perspective of Landmark Health and the HomeAdvantage program. This feedback is immensely valuable to us and we will be using it to improve our program moving forward.

Please take 10 minutes of your time to fill out this survey. We and your patients thank you very much in advance (link is case-sensitive): bit.ly/HomeAdvantageSurvey

About HomeAdvantage: HPSM has developed a program called HomeAdvantage which provides at-home medical visits and additional support services to our high-risk Cal MediConnect members. The HomeAdvantage program facilitates care for these high-needs members, some of whom are your assigned patients.

HPSM has contracted with Landmark Health, an organization dedicated to improving care for patients with multiple chronic illnesses and other high-risk factors, increase provider touch points and reduce hospital visits.

Please take the survey at your earliest convenience. If you have any questions, please direct them to Avani Bedagkar, Program Manager at avani.bedagkar@hpsm.org

Thank you for your continued commitment to our community,
The Health Plan of San Mateo
