CalVaxGrant deadline extended to 12/17/2021 for vaccination funding

Dear provider,

Please join the effort to vaccinate California's most vulnerable. Apply for California's CalVaxGrant, which awards up to \$55,000 for physician practices to support vaccination efforts. The deadline has been extended to **December 17, 2021. Apply at calvaxgrant.org.**

Who can apply:

- Practices with up to 200 physicians
- Must be registered in myCAvax

What it covers: The CalVaxGrant program is funded by the California Department of Public Health (CDPH) to support physicians and medical practices administering COVID-19 vaccines in their communities. The program reimburses physicians and facilities for expenses incurred since November 2020. Coverable expenses are broad, and include: staffing, training, technology, infrastructure, supplies/equipment and/or administrative overhead. The CalVaxGrant Program grants up to \$10,000 per site, or \$11,000 per site for practices in high priority areas.
