Long Term Care Facility Rate Update

Dear providers,

Medi-Cal recently published the annual Long Term Care rate updates effective retroactively to, in most cases, August 1, 2021. This notice is to advise you that the Health Plan of San Mateo (HPSM) has aligned with this change, and we are currently in the process of adjusting claims that were paid at the previous year's rates.

If you have submitted claims for services delivered after the effective date and received payment at the old rate, please do not submit provider dispute resolutions (PDRs) for corrected payment. All claims are being reconsidered, and you will automatically receive payment for the difference.

The updated Long Term Care rate types and their effective dates are as follows:

- Intermediate Care Facility for the Developmentally Disabled (ICF/DD, ICF/DD-H, ICF/DD-N) effective 8/1/2021
- Freestanding Pediatric Subacute (FS-PSA) effective 8/1/2021
- Distinct Part Nursing Facility – B (DP/NF-B) effective 8/1/2021
- Distinct Part Pediatric Subacute (DP-PSA) effective 8/1/2021
- Distinct Part Adult Subacute (DP-ASA) effective 8/1/2021
- Nursing Facility – Level A (NF-A) effective 8/1/2021
- Rural Swing Bed effective 8/1/2021
- Administrative Day Rate Level 1 effective 8/1/2021
- Hospice Care effective **10/1/2021**

If you have any questions or concerns, please contact the claims department at **650-616-2056** or ClaimsInquiries@hpsm.org. Thank you very much for your cooperation.

We appreciate your patience,
The Health Plan of San Mateo
