Watch HPSM's Black History Month Presentation Online Now

Dear providers,

On Wednesday, February 23, 2022 the Health Plan of San Mateo (HPSM) hosted a Black History Month webinar for HPSM providers and staff. You can watch the webinar here: www.hpsm.org/videos/default-source/webinar/black-history-month.mp4

The presentation included a welcome and introduction by HPSM's CEO Patrick Curran, and a presentation and guided discussion with HPSM's Population Health Specialist Mykaila Shannon. In the online recording you will find:

- A discussion of some historical considerations that are critical to understanding the healthcare experience of members who identify as Black or African American (starting at minute seven).
- A deep dive into some population health data about HPSM's Black or African American identifying membership (starting at minute 15).
- An overview of resources available to Black or African American identifying HPSM members that providers may refer to (starting at minute 30).

You can also review webinar slides here: www.hpsm.org/docs/default-source/provider-services/cultural-competency/black-history-month-at-hpsm.pdf

Please review the webinar and/or slides to continue the conversation. Also stay tuned for additional network learning opportunities that HPSM has planned throughout 2022.
