Updated Pricing Policy for Billing Codes S9335 and S9339

Dear provider,

This notice is to advise you of an update to the Health Plan of San Mateo's (HPSM's) pricing policy regarding billing codes S9335 and S9339.

Medi-Cal currently does not have a rate for these codes, so HPSM has established rates until they are published by Medi-Cal/DHCS.

Code S9335 is defined as home therapy, hemodialysis; administrative services, professional pharmacy services, care coordination, and all necessary supplies and equipment (drugs and nursing services coded separately), per diem.

Code S9339 is defined as home therapy; peritoneal dialysis, administrative services, professional pharmacy services, care coordination and all necessary supplies and equipment (drugs and nursing visits coded separately), per diem.

The HPSM base rate for both S9335 and S9339 is \$61.23 per unit based on the prorated daily rate for Z6030. Contractual markups will be applied in addition to this rate where applicable.

These codes replace codes Z6012, Z6014, Z6030, and Z6042 which are terminated by HPSM as of 9/1/2022 and will deny accordingly on or after this date of service.

If you have any questions or concerns, please contact the claims department at **650-616-2056** or ClaimsInquiries@hpsm.org.

Thank you very much for your cooperation and for your continued commitment to our community,
The Health Plan of San Mateo
