## List of Covered Personal Blood Pressure Monitoring Devices and Blood Pressure Cuffs

Dear providers,

This spreadsheet contains information on personal home blood pressure monitoring devices eligible for coverage and reimbursement under the Medi-Cal pharmacy carveout (Medi-Cal Rx). Refer to this list for coverage criteria, quantity limits, and additional billing information. This spreadsheet is subject to change with notification to providers.

The maximum allowable product cost (MAPC) is the maximum product cost reimbursed (price on file). To receive reimbursement, the 11-digit billing number, or National Drug Code (NDC), on each package must be an exact match to a Medi-Cal Rx billing code in this spreadsheet and the Medi-Cal Rx billing code submitted on the pharmacy claim.
