What the CareAdvantage D-SNP Transition Means for the HPSM Network

Dear provider,

Have you heard the news? Changes to the CareAdvantage program are coming in 2023 and we want to make sure our provider network is prepared.

Join the Health Plan of San Mateo (HPSM) staff to learn about what these changes mean for our members, for our network, and more. RSVP here: <https://bit.ly/HPSMDSNP>

We recently partnered with the Department of Health Care Services (DHCS) to discuss this transition and why it was happening. What's different about our presentation is it will cover new benefits for CareAdvantage members, new requirements, and more essential details about the transition relevant to our network. The webinars will be held at noon and 6pm on Tuesday, November 15th, and at noon on Thursday, November 17th. Providers only need to attend one session.

You can review slides from the presentations with DHCS here:

Please contact HPSM Provider Services at PSInquiries@hpsm.org with any questions.

Thank you,
