Offices Impacted by Flooding

Dear provider,

This week San Mateo County is due to receive rainfall that could create flooding, power outages, and have other impacts for the Health Plan of San Mateo (HPSM) providers and their offices.

Per HPSM provider rights and responsibilities, HPSM providers are required to, “*notify HPSM in advance of any change in office address, telephone number or **office hours**,*” as this may impact our members’ ability to receive care.

Please contact HPSM Provider Services immediately with any change in office hours or office closures at PSInquiries@hpsm.org so we can support you and HPSM members.

Thank you for your continued commitment to our community,
HPSM Provider Services
