Please Ensure Young HPSM Members Receive Immunizations This Month

Hundreds of Health Plan of San Mateo (HPSM) members under the age of 18 were recently turned away from school because they were not up to date with vaccination requirements for school entry. We are working to problem-solve in real time but need the support of you and the entire community to ensure our schools stay safe.

Here is a list of school-aged HPSM members who are assigned to you who are not up to date with the vaccines. Please do your best to get them in as soon as possible for immunizations.

Learn more at CDPH's website about shots required for TK-12 and 7th grade here:

For questions, please contact our Provider Services department at PSInquiries@hpsm.org.

Thank you for your continued commitment to our community,

The Health Plan of San Mateo
