## 2023 Peninsula Infectious Disease Conference

Dear providers,

San Mateo County's Communicable Disease Control Program is bringing back their annual, **free, in-person Infectious Diseases conference**. The theme of this year's conference is **Bridging the Gap: Integrating Clinical Care and Public Health to Improve Patient Outcomes**.

**Register for the conference here: <https://www.eventbrite.com/e/2023-peninsula-infectious-diseases-conference-tickets-688119703557?aff=oddtcreator>**

The conference will be Monday, September 11 (all day) and Tuesday, September 12 (morning only) at the College of San Mateo theater (1700 W Hillsdale Blvd, San Mateo, CA 94402). Breakfast, lunch, and refreshments will be provided.

The conference will emphasize the latest clinical and public health guidance for the prevention, diagnosis, and treatment of adult and pediatric infections such as long COVID, influenza, RSV, *Candida auris*, congenital syphilis, congenital and latent TB infection, rabies, coccidioidomycosis, and more.
