Native American Heritage Month 2023

Dear providers,

November is Native American Heritage Month and we've prepared a video to help the Health Plan of San Mateo (HPSM) providers learn about our county's native and indigenous members.

Watch our four minute "Native American Heritage Month" video:

<https://www.hpsm.org/videos/default-source/provider-education/native-american-heritage-month.mp4>

Help support native and indigenous HPSM members by watching the video. You'll learn about:

- HPSM Native American/Indigenous members.
- Health disparities amongst this population.
- County and HPSM programs to support this membership.
- ...and more!

Questions? Please direct them to PSInquiries@hpsm.org.

Thank you for your continued commitment to our community,
The Health Plan of San Mateo
