## CalEVV Data Integrity Information Notice

Dear provider,

The Department of Health Care Services (DHCS) recently released an informational notice regarding data integrity for home health care providers using the CalEVV system.

**Read the complete notice here: <https://www.dhcs.ca.gov/provgovpart/Documents/CalEVV-Data-Integrity-Information-Notice-24-01.pdf>**

The data integrity notice clarifies the application of the Health Insurance Portability and Accountability Act (HIPAA) law on CalEVV data transmission. Listing an incorrect Jurisdictional Entity (JE), resulting in the submission of EVV data to that unintended JE, is a violation of HIPAA law.

Health Plan of San Mateo (HPSM) providers using the CalEVV system must ensure the accuracy of the JE listed when submitting EVV (Electronic Visit Information) data to the CalEVV system.

Addressing this issue proactively can help avoid potential monetary penalties and ensure continued enrollment with Medi-Cal. Find additional information regarding the handling of privacy and security incidents in Section 12: Privacy of the Provider Manual here:

Contact HPSM Provider Services department at [PSInquiries@hpsm.org](mailto:PSInquiries@hpsm.org) with any questions.

Thank you,

The Health Plan of San Mateo
