HICAP of San Mateo County is hosting MIPPA enrollment events in four cities to help Medicare beneficiaries apply for Conditional Part A and the Qualified Medicare Beneficiary (QMB) program.

You should attend one of these clinics if you do not qualify for free Medicare Part A because you do not have any or enough working credits on file with the Social Security Administration to qualify for it. If you are eligible for the QMB program, the State will pay for the \$437 Medicare Part A monthly premium and other out of pocket expenses.
