Benchmark P4P Attestation Due 5/1/2024 On Provided Template

Dear primary care providers,

The Health Plan of San Mateo has published a template to submit manual attestations for MY2023 Benchmark Pay-for-Performance (P4P) credits. The credits can be applied to up to four Medi-Cal and two CareAdvantage quality metrics eligible for bonus payments.

Refer to “MY2023 Benchmark P4P Attestation Template” under “Resources” on this webpage for details on how to submit attestations by May 1, 2024:

<https://www.hpsm.org/provider/incentive-payments/incentive-payments-for-primary-care-providers>

Medi-Cal P4P Benchmark Program

P4P Measure	Allowances
CIS-10: Childhood Immunizations (Combo 10)	If April 2024 eReport determined member is eligible and noncompliant, AND: <ul style="list-style-type: none"> Clinic administered OR collected immunization records or found CAIR Registry evidence that member received four DTaP, three IPV, one MMR, three HiB, three HepB, one VZV, four PCV, one HepA, two RV, and two flu immunizations by second birthday.
FLU: Seasonal Flu Vaccine	If April 2024 eReport determined member is eligible and noncompliant, AND: <ul style="list-style-type: none"> Clinic administered flu vaccine OR received verbal confirmation, collected immunization records, or found CAIR Registry evidence that member received flu vaccine between July 2022 – March 2023.
IHA: Initial Health Assessment	If April 2024 eReport determined member is eligible and noncompliant and BOTH of the following conditions are met: <ul style="list-style-type: none"> Clinic attempted three or more outreach attempts to member within the first 90 days of assignment. Clinics may verify assignment date using Column N of the eReport titled “Active Engagement Report”. Clinic must additionally provide all dates of attempted outreach per

	<p>attested member in a separate tab of the attestation document. NOTE: Attestations for outreach attempts eligible for partial credit only.</p> <ul style="list-style-type: none"> Clinic must also send an email to PSInquiries@hpsm.org and scott.fogle@hpsm.org containing EITHER a brief narrative describing outreach efforts to new patients OR phone/text message scripting, outreach letters, or other evidence of standard materials used to activate patients into primary care.
W15: Well Child Visits (0-15 months)	<p>If April 2024 eReport determined member is eligible and noncompliant and ANY of the following conditions are met:</p> <ul style="list-style-type: none"> One or more visits were performed in the child's first 30 days of life before Medi-Cal enrollment and this visit(s) was billed under the parent's Medi-Cal ID. Child became Medi-Cal enrolled after a non-HPSM provider performed one or more well visits (bringing total to at least six on or before the 15th month birthday).

CareAdvantage P4P Benchmark Program

P4P Measure	Allowances
COL: Colorectal Screening	<p>If April 2024 eReport determined member is eligible and noncompliant, AND clinic has documented evidence that member received any of the following services before being assigned to current panel:</p> <ul style="list-style-type: none"> Fecal occult blood test between January 2023 – December 2023. Flexible sigmoidoscopy between January 2019 – December 2023. Colonoscopy between January 2014 – December 2023. CT colonography between January 2019 – December 2023. FIT-DNA test between January 2021 – December 2023. <p>HPSM will NOT accept attestations for services rendered by attesting (i.e. currently assigned) provider, as these should be reported via standard claims or supplemental data processes.</p>
FLU: Seasonal Flu Vaccine	<p>If April 2024 eReport determined member is eligible and noncompliant, AND: Clinic administered flu vaccine OR received verbal confirmation, collected immunization records, or found CAIR Registry evidence that member received flu vaccine between July 2023 – March 2024.</p>

Please direct questions to HPSM Provider Services at PSInquiries@hpsm.org.

Thank you,
The Health Plan of San Mateo
