Authorization Form Tips

Here are some critical steps for filling out the Prior Authorization request form for ECM and Community Supports services – filling the form out accurately will help the process go smoothly.

1. Follow instructions on the authorization form: https://www.hpsm.org/docs/default-source/provider-forms/prior_authorization_request_form.pdf
2. Include the available ECM or CS provider information for “Servicing Provider Name,” “Street Address,” “City,” “State,” “Zip,” “NPI,” “Phone Number,” and “Fax.” Use the table above to complete this request accurately.
3. If you are not the provider who will be rendering the service, please include your name/facility/practice and NPI in the “Servicing Provider” section. If you want to receive a notification of outcome HPSM must have your NPI number and adjoining fax number on record. If you are not sure if this is on record, please be sure your fax number or email is clearly stated in attached documents or in the optional comments box at the bottom of the form.
4. Use correct CPT Codes listed in the table above.
 - a. **Enhanced Care Management:** HPSM has adopted a simplified G9012 code for authorization purposes.
 - b. **Community Support:** HPSM has a unique CPT code for each CS service option.
5. Diagnosis Codes: include primary diagnosis that indicates population of focus or service option qualification (example: Z codes for housing).
6. Attach any information, including recent appointment notes, care plan, summary of needs, or forms that demonstrate members qualifying criteria. If you do not include information that demonstrates qualifying criteria, the member may not be approved for services.
 - a. For ECM requests, please specify which Population of Focus the member qualifies for in the comments on the PA form.
 - b. For CS requests you will need to attach the Community Supports Request Information Form.
7. “Requested Service Dates From” and “To” should not overlap any existing Authorization of the same type of services. Authorizations cannot exceed one year.
8. For “Units of service” please enter numbers only and do not write any words in the box.
 - a. ECM Authorizations only need to request one unit.
 - b. For Community Supports (CS), see table below for guidance on units per each CS service type. Dates of service Authorization Start and End Date is within 12 month span:

CPT Code	Community Support Service Option	Max Units of Service Paid per Authorization	Days/Quantity
