HPSM Incontinence Supply Formulary

Incontinence supply requests do not require prior authorization if they meet ALL of the following requirements:

- Product must be on the HPSM Incontinence Supply Formulary
- Patient must have an incontinence diagnosis code
- Patient must be >5 years old
- There are no quantity limits on these products as long as they are under the \$180 reimbursement cap
- Total reimbursement amount must be under \$180

Any request that does not conform to these requirements require prior authorization.
